Health Card Deposit

I _____ visited Howden Medical Clinic on _____.
I have acknowledged that I have presented an Invalid Health Card/ New Born Health Slip. I have agreed to pay a \$60 deposit fee for consultation only and I am aware that any additional procedure or test will cost additional fees accordingly as informed by HMC staff.

Steps for reimbursement have been outlined below as follows:

1. The deposit will be made today as mentioned above.
2. Failure to present a valid health card to Howden Medical Clinic within **one** month will result in my deposit *not reimbursed*.
3. The payment will then be billed to OHIP the same day as I have updated the card with clinic staff.
4. When and only if clinic gets paid, I will receive a call to come pick up the deposit- Usually within 3-7 weeks from the date the card has been updated with HMC.
5. I must bring in original receipt myself in person to receive the reimbursement.
6. I understand that if my card is not valid at all on the date of this visit, as HMC staff has been informed by Service Ontario, I will not get reimbursed.

I acknowledge that I have read and understood all the refund process with the Howden Medical Clinic.
